What is so important
during recruitment?

DURING RECRUITMENT...

- Think of what is important for you when choosing a University (subjects, language of instruction, country, student life)
- Log in to MobiTUL system and search for agreements of interest where fields of studies match your program at TUL
- Check available subjects, their language of instruction and deadlines – on the website of the receiving university
- If you have any questions, please contact the Student Mobility Division and the International Exchange Coordinator at TUL
- If you cannot find the information you need, you can send an e-mail to the receiving University concerning the study offer
 - In MobiTUL system choose up to three Agreements giving them priority (remember that the choices of universities are binding!)
- Send your additional achievements to the Student Mobility Division for subjective evaluation
 - during recruitment period.

Additional information

- You can apply for a mobility in MOBITUL with a maximum of missing 12 ECTS
- The decision on university choices is binding
- You keep your student status in Poland (e.g. you keep scholarships)
- Even if you go to a private university, you don't pay tuition fees abroad
