

Financing rules of staff mobility of Lodz University of Technology under Erasmus+ Learning Mobility between Programme Countries (KA 103)

- The following financing rules apply to the mobility of employees participating in the qualification in the academic year **2020/2021**, implementing mobility under the agreement 2019-1-PL01-KA103-062221 and under the agreement 2020-1-PL01-KA103-078334.
- Financial support in the form of a lump sum contribution for individual support and travel to be paid for mobility for teaching and for training under the Erasmus+ Programme shall take the form of a scholarship.
- The amount of individual support depends on the group of countries to which the country of the receiving institution belongs to.

Countries in a given group	The daily amount of the scholarship in EURO for mobilities lasting no more than 14 days
GROUP 1. Denmark, Finland, Ireland, Iceland, Lichtenstein, Luxemburg, Norway,	180
GROUP 2. Austria, Belgium, Cyprus, France, Greece, Spain, the Netherlands, Malta, Germany, Portugal, Italy	160
GROUP 3. Bulgaria, Croatia, Czech Republic, Estonia, North Macedonia, Lithuania, Latvia, Romania, Serbia, Slovakia, Slovenia, Turkey, Hungary, Poland	140

- The amount of the travel scholarship depends on the distance between the place of departure and the destination and is determined by the European Commission. To calculate the distance, a calculator available on the website of the European Commission's programme should be used. Distance calculator is available at: http://ec.europa.eu/programmes/erasmus-plus/resources/distance-calculator_en

Distance	Amount	Allocation principle
from 10 to 99 km	20 € per participant	Distance to be calculated with the calculator.
from 100 to 499 km	180 € per participant	Distance to be calculated with the calculator.
from 500 to 1999 km	275 € per participant	Distance to be calculated with the calculator.
from 2000 to 2999 km	360 € per participant	Distance to be calculated with the calculator.
from 3000 to 3999 km	530 € per participant	Distance to be calculated with the calculator.
from 4000 to 7999 km	820 € per participant	Distance to be calculated with the calculator.
8 000 km and more	1500 € per participant	Distance to be calculated with the calculator.

IMPORTANT!

In accordance with the Regulation of the Minister of Finance from 15 October 2018 on the abandonment of the collection of personal income tax on income (revenues) from scholarships received under the "Erasmus+" programme, it is ordered to abandon the collection of personal income tax on income (revenues) from scholarships received under the "Erasmus+" programme from 1 January 2019 until 31 December 2023.
