Implementation of effective practices for the development of students' emotional intelligence with particular emphasis on anti-discrimination activities at European universities

EQUNI Final Conference

Empowering Universities through Emotional Intelligence

December 5, 2025 | Łódź

Join us at Lodz University of Technology for the closing event of the **EQUNI** project, a bold initiative that has redefined how universities address discrimination and foster inclusion.

Location:

Lodz University of Technology,
International Cooperation Centre,
36 Żwirki Street, building A16,
90-539 Łódź

Over the past three years, EQUNI has equipped academic institutions with tools to **develop emotional intelligence, strengthen empathy, and build inclusive learning environments**. Our final conference will showcase the project's impact, share best practices, and explore how emotional intelligence can drive systemic change in higher education.

We proudly present **EQUNI**
– winner of the EU Project
of the Year at the ACEEU
Triple E Awards 2025!
