

Appendix 5B to the Regulations for participation in the project implemented by Lodz University of Technology
under the PROM programme – short-term academic exchange

Assessment Form of the Application – Academic Teacher

Name and surname of the Candidate	
--	--

Formal criteria:

Current status of an academic teacher at home university confirmed on the basis of a certificate from home university (incoming mobility) or current TUL data (outgoing mobility)	<input type="checkbox"/> YES	<input type="checkbox"/> NO
University degree of at least PhD or equivalent obtained abroad (confirmed on the basis of a certificate from home university (incoming mobility) or current TUL data (outgoing mobility))	<input type="checkbox"/> YES	<input type="checkbox"/> NO
Employment at home university on the basis of an employment or a civil-law contract (outgoing mobility) or equivalent (incoming mobility) confirmed on the basis of a certificate from home university (incoming mobility) or current TUL data (outgoing mobility)	<input type="checkbox"/> YES	<input type="checkbox"/> NO
Knowledge of the foreign language at least at B2 level confirmed on the basis of the Candidate's declaration	<input type="checkbox"/> YES	<input type="checkbox"/> NO
No grounds for exclusion of citizens and entities from the Russian Federation	<input type="checkbox"/> YES	<input type="checkbox"/> NO

Substantive criteria:

Criterion	Description	Number of points
I. Thematic scope and method of implementation of the planned mobility (max. 40 points)	<p>Evaluation of the characteristics and rationale of the planned activities taking into account the type of mobility, i.e.:</p> <ol style="list-style-type: none"> 1. Scientific value of the submitted project taking into account the scientific discipline of the Candidate (up to 10 points); 2. Evaluation of the rationale of the activities proposed in the project and the adequacy of the planned costs and duration of the mobility (up to 10 points). 3. Type of mobility (up to 20 points*): <ol style="list-style-type: none"> a. carrying out part of the research and/or measurements as part of the realization of the ongoing scientific activity, acquiring materials for a scientific article (up to 20 points) b. participation in short education forms – courses, workshops, internships, study visits (up to 7 points) c. active participation in an international conference (up to 5 points) d. participation in preparation of an international grant application (up to 5 points) 	

Appendix 5B to the Regulations for participation in the project implemented by Lodz University of Technology
under the PROM programme – short-term academic exchange

	<p>e. other forms of enhancing competencies (summer/winter schools) and other activities meeting the requirements of the programme (teaching, carrying out archive/library queries (up to 2 points)</p> <p><i>*The Candidate may be awarded no more than 20 points, even if the sum of the points for the realization of particular forms of education is higher than 20.</i></p>	
<p>II. Expected effects of the planned mobility and its impact on the Candidate's scientific and competence development (max. 20 points)</p>	<ol style="list-style-type: none"> 1. Evaluation of the rationale for mobility in the context of needs arising from implementation of academic work (up to 8 points) 2. Evaluation of the rationale for the mobility in the context of the Candidate's scientific development (up to 8 points) 3. Evaluation of the expected effects of the planned mobility (e.g. scientific publications, preparation of international grant applications, enhancement of specific competences (up to 4 points). 	
<p>III. Impact of the planned mobility on the development of international cooperation and exchange between the sending and the hosting institutions, as well as increasing the quality of education at TUL (max. 15 points)</p>	<ol style="list-style-type: none"> 1. Evaluation of the extent to which the planned mobility will contribute to the development of bilateral international cooperation (up to 10 points) 2. Evaluation of the extent to which the planned mobility will contribute to increasing the quality of education at TUL (up to 5 points) 	
<p>III. The reputation of a foreign science centre or the research group (max. 5 points)</p>	<ol style="list-style-type: none"> 1. The reputation of a foreign science centre or the research group and the assessment of the rationale for choosing it (up to 5 points) 	
<p>IV. Candidate's scientific or academic activity to date and scientific achievements relevant to the discipline (max. 20 points)</p>	<ol style="list-style-type: none"> 1. Evaluation of the Candidate's previous publication, artistic or implementation achievements relevant to the discipline (up to 10 points) 2. Participation in the research, implementation and educational projects, including international projects (up to 8 points) 3. Other achievements relevant to the discipline (up to 2 points) 	
Total number of points (max. 100)		
Application recommended for co-financing		<input type="checkbox"/> YES <input type="checkbox"/> NO
Decision of the UAC		<input type="checkbox"/> positive <input type="checkbox"/> reserve list <input type="checkbox"/> negative
